

Internship at the Chamber of Commerce Netherlands & Turkey in Istanbul.

Are you looking for a fun and challenging internship in an international and dynamic environment? Then we are looking for you! Our offices are located on both the European and Asian side of Istanbul and we are looking for an excited intern to join our team.

Who are we?

The “Chamber of Commerce Netherlands & Turkey” was founded with the aim of stimulating international trade between Turkey and the Netherlands as a non-profit organization. The Netherlands and Turkey have diplomatic relations with each other for more than 400 years.

Partly because of this, Dutch companies are one of the largest group of investors in Turkey. Furthermore, Turkey offers enormous opportunities for Dutch entrepreneurs as the Turkish economy is one of the fastest growing in the world. Unfortunately, many Dutch companies are not yet aware of this or consider the step too big to invest in Turkey. This is where our organization comes into action. We want to create a bridge between the Netherlands and Turkey.

What we offer:

- An educational internship period within a young and dynamic company;
- Excellent guidance;
- Sufficient opportunities for your own development;
- Preparing, executing and organizing marketing activities;
- The preparation of reports concerns all commercial activities;
- Travel allowance.

What do we ask:

- Minimum higher professional education (HBO) work and thinking level; in a commercial direction;
- You can work independently as well as in a team;
- Good communication skills, creative and a real go-getter;
- Good command of the Dutch language, both orally and in writing;
- International and multicultural oriented;
- Mastery of SEO tools;
- Available for 32 hours a week.
